

**ATLANTIC CAPE COMMUNITY COLLEGE**  
**AND**  
**NEUMANN UNIVERSITY**  
**DUAL ADMISSIONS/ARTICULATION AGREEMENT**

Under the terms of this Agreement, as delineated in the following pages, Atlantic Cape students who are admitted to either an Associate in Arts (A.A.), Associate in Science (A.S.), or an Associate in Applied Science (A.A.S.) degree program or are admitted to either a Certificate or Professional Series Program are eligible to participate in this Agreement and, upon graduation from an Atlantic Cape Associate's degree program and/or successful completion of either a Certificate or Professional Series program, may be admitted to a specified undergraduate degree program at Neumann University, provided they meet admissions requirements and complete admissions steps.

1. Graduate from Atlantic Cape with an A.A., A.S., or A.A.S degree with a minimum cumulative GPA of 2.00; or document the successful completion of either a Certificate or Professional Series program with a minimum cumulative GPA of 2.00 (unless otherwise noted) [a maximum of 90 college-level credits can be accepted in transfer];
2. Course-to-Course Articulation Agreement  
For those Atlantic Cape students who choose to pursue this Dual Admission option with Neumann University as well as those who might wish to transfer to Neumann University at some point in the future but not be dually admitted to both institutions, a *Course-to-Course Equivalency Table* has been established which lists all of Atlantic Cape course offerings and their Neumann equivalents. For further information about course equivalencies, please contact the Atlantic Cape Transfer Office or the Registrar at Neumann University.
3. Applicable Neumann University Baccalaureate Degree Program Options

In addition to the traditional undergraduate baccalaureate degree programs listed above, Neumann University also offers the adult student learner the option of pursuing the following accelerated baccalaureate degrees that are sponsored by the Division of Continuing and Professional Studies [CAPS]. These degree options provide the adult student with the opportunity to complete the baccalaureate within a reasonable amount of time while working or attending to other demands of adult life. Depending upon the accelerated program that is chosen, courses are offered as six-credit seminars and/or 3-credit lectures in classroom, online, and hybrid formats. Students may also attend day or evening classes or a combination of the two.

- Behavioral Science [B.A.]\*
- Liberal Studies, with Self-Designed Option [B.A., B.S.]\*
- Organizational Leadership [B.S.]\*
- Professional Studies [B.S.]<sup>+</sup>

\* Students must be a minimum of 21 years of age to apply to these accelerated degree programs.

<sup>+</sup> Students must be a minimum of 19 years of age to apply to this accelerated degree program.
