Re: ACCC Formal Response to Team Report from March 26-29, 2006

Dear Ms. Morse:

On behalf of the trustees, faculty, staff and students of Atlantic Cape Community College, may I take this opportunity to thank the team members and the Commission for the diligence displayed in reviewing our Self Study and for the completion of the Team Report. I would also like to acknowledge the leadership of Dr. Elaine Ryan, team chair, in coordinating the efforts of the peer evaluators.

Atlantic Cape Community College accepts the Team Report as written.

Once the Commission makes the final determination with respect to the re-accreditation process, let me assure you that ACCC will immediately institute efforts to implement solutions to problem areas outlined in the Recommendations and Requirements. Solutions will be identified and implemented in an expeditious manner and with the highest priority.

Ms. Morse, please let me know if you have any questions on this communication.

Sincerely,
