

THE ALMA MATER

Words by Professor Wilhelm A.A. Goetze

Lift your voices ever loud and strong
Lift your hearts and now rejoice in song
Paying tribute to our Alma Mater,
To our Alma Mater

We sing to our college,
The Atlantic Cape Community College
With faith we sing
With hope we sing
We love we sing to our college.

Lift your voices ever loud and strong
Lift your hearts and now rejoice in song
Paying tribute to our Alma Mater,
To our Alma Mater.
