Dear Atlantic Cape staff,

As in years past, the Office of Community Affairs will facilitate the coordination of the Atlantic-Cape Public Employees Charitable Campaign (PECC). In 1985, the New Jersey state legislation created an approved workplace campaign for all public employees in the state of New Jersey. This drive supports the work of a multitude of approved charitable agencies and organizations. Atlantic Cape employees have shown great dedication in years past and we look forward to continued success in the 2012-2013 campaign. The Atlantic-Cape Public Employees Charitable Campaign supports the work of approved charitable agencies and organizations. Our very own, Atlantic Cape Foundation, is included in the list of donor-designated charitable organizations. A complete listing of agencies can be found in the PECC brochure.

In an effort to “Go Green”, this year’s PECC form and attaching documents will be paperless. There is no need to print the pledge form. The form can conveniently be filled out at your computer by simply submitting all the required information. The form can be saved for your records and will automatically be e-mailed to Torrina Bennett-Michael, Director of Community Affairs.

One-time donations can be made via check or credit card and should be forwarded to Torrina Bennett-Michael, Director of Community Affairs, Worthington campus. Please remember that if you decide to make a one-time donation via check or credit card it is tax deductible for the current year. Please make checks payable to “Atlantic Cape Public Employees Charitable Campaign” (AC PECC).

There are great incentives for those who donate through payroll deduction and donate $3 or more per week. The United Way is also great community-wide incentives to those who donate $5 per week ($260 per year) and $7 per week ($364 per year). All prize information can be found in the PECC brochure. The PECC campaign deadline is December 20, 2012.

Remember, your involvement in the PECC campaign helps support the programs and services of charities across the state, country, and world. All employees will need their CWID in order to fill out the form electronically for security purposes. The form is digitally signed using Adobe. An automated confirmation will be e-mailed to you to confirm your pledge. It’s just that simple, happy campaigning!

Sincerely,

Torrina Bennett-Michael
Director of Community & Cultural Affairs
PECC Chair
