

Student Government Association

Every Atlantic Cape student is a member of the Student Government Association (SGA). The main policy-making body of the SGA is the Student Senate.

The purpose of the SGA is

- To generate activities of interest for the benefit of the general student body.
- To create a representative governing body that promotes harmony among students, faculty and the administration of Atlantic Cape.

The SGA Executive Board is comprised of full- and part-time students elected or appointed to the following positions:

- President
- Vice President
- Secretary
- Treasurer
- Club Coordinator
- Program Chair
- Freshmen and Sophomore Senators

The SGA Executive Board meets every Wednesday from 12:30–1:45 p.m., in J-147 in the Student Life Center. The Student Senate meets each Thursday from 12:30–1:45 p.m., in J-206. Teleconferencing is available for students at the Worthington Atlantic City and Cape May County campuses.

CLUB FACTOIDS

Did you ever notice when filling out a job application or a scholarship application, one of the questions asked is if you are affiliated with any clubs or organizations? Why? Because employers and four-year colleges seek out people who are team players and are willing to get involved.

What makes a student stay in school? Students are more apt to keep coming back to school if they are involved with a club or an organization.

How can you get involved with a club or organization at Atlantic Cape? Contact the Student Life Center:
