VI. **Advisors’ Report**

Election packets have been handed in, and the election will be the week when we come back from spring break.

We had the hero campaign on Tuesday. Thank you to everyone who came out. Don’t forget to show support for Felix’s event on Tuesday. So make sure to come out and support.

VII. **Club Coordinator’s Report**

For earth day we are going to be having blowups for the students. We will have human foosballs, the giant slide, and another on. Were also going to have a air brush artist come, and also popcorn.

We have also ordered give-a-ways to beat out tables for everyone to take. So make sure that you put in your request for this event so that you’ll be able to participate.

VIII. **Program Chair’s Report**

Nothing to report

XIII. **Vice President’s Report:**

Nothing to report

XV. **President’s Report:**

Hero Campaign came out on Tuesday and we got a lot of signatures on the banner.

March 27 there will be an event in Café B that student services will be hosting. It will be a holocaust event at 12:30. They would like for SGA to be there, so we would have to start the meeting early if possible or end it early so that we would be able to attend. So if everyone would be able to let me know by next meeting if you would be able to come to the meeting early that would be great. If not then we will start on time but we will hit the major stuff and run through it quick.

Next week we would like for all the potential officers who are running for a position to have a little speech for us, to tell us why you running for the position you chose.

XII. **Open Forum:**

Felix Peer to peer work shop is next Tuesday so make sure that everyone comes out and supports.
For the Judisu class that wanted to start up, everything is going good for making it a class for next semester.

There is an interest to start up a Film Club; she stated that because we have a major based on it, why not make it a club. So she would like to start up the club for next semester.

The talent show auditions was great, we had a lot of acts that came out. Again the event will be April 3rd so make sure you come out.

For the banquet, so far everything is coming out good. We have most of the stuff on order to get started, but besides that everything is looking good. Just so everyone knows the color theme that we are going with is red, gold, silver and white.

XIII. **Adjournment:**

1st Motion  Rewrites 2nd Motion T.V. Club  Adjourned at 12:59pm
